

World's Leading Trade Fair for Industrial Coating Technology

9 – 12 April 2024
Exhibition Centre Karlsruhe, Germany

In cooperation with: **JOT**

AN EVENT BY LEIPZIGER MESSE

The place to meet for the international coating industry

PaintExpo takes place every other year in Karlsruhe as a showcase for innovations, applications, future technologies and trends covering all aspects of industrial coating. The trade fair spans the entire range of **international products and services in the supply chain for industrial coating technology**. The wide spectrum of products extends from **spray guns, equipment and materials to automation technology**. This globally unique get-together of companies from the industry is unparalleled worldwide, making it highly attractive for coating service providers and in-house coating companies from around the world.
